

# THE ALPHA TEAM

Our flexible approach, resilience and “can do” attitude means we engage and support high risk and complex needs clients.

Our experienced, motivated and dedicated team come from a range of backgrounds offering different skills, qualifications and strengths combined with the highest levels of professionalism.

Careful consideration is always given when matching employee expertise to particular client needs.

In addition, we have staff who specialise in:

- Acquired brain injuries
- Autism and Aspergers
- Learning disabilities
- Substance misuse and mental health
- Housing support, debts & benefits

Alpha are a social enterprise, part of Catalyst, a not for profit organisation. Catalyst work with people in Surrey struggling with issues arising from drugs, alcohol and mental health to reduce harm to themselves, their families and communities.

## WE PROVIDE:

- Specialist staff with a wide range of appropriate health and social care qualifications
- Staff who hold a current enhanced DBS and are trained in Child Protection and Adults At Risk of Harm
- A skilled assertive outreach approach for high risk and complex needs clients
- Specialist social care support, including environmental and personal wellbeing
- Support with daily living skills
- Re-engagement with mainstream and community services
- De-hoarding and extreme cleans
- Integrated, robust and holistic approach
- Mutual respect, honesty and openness
- Competitive rates and high quality professional service

## EXTREME CLEANS

We provide extreme cleans commissioned by Borough and County Councils, housing associations, health and social care sectors and private clients across the South East.

- **Services to Hoarders:** We negotiate with and engage clients in the process of establishing a better home environment
- **Clearance:** Properties emptied and cleaned
- **Infested/contaminated/chaotic environments:** We work with trusted partners to deal with these
- **New home set up and managed moves:** Clients leaving long term treatment centres, relocation from other areas or homeless people receiving a new tenancy
- **Home from hospital services:** Preparation for hospital discharges, including hospital mattresses and bedding
- **Sharps/needle disposal:** Our licensed and insured service deals with these swiftly and safely

## ALPHA OUTREACH SUPPORT SERVICES

Alpha provides skilled assertive outreach workers who can engage clients where other services can not. As a primary service or complementing a wider package, we can provide:

- Cleaning, ongoing support
- Personal assistant support
- Shopping and support with meal nutrition, food preparation
- Housing support, reintegration, rehabilitation
- Engagement with appropriate support services
- Assistance with benefits and debts
- Inclusion within the local community
- Life management skills to enable independence
- Harm risk reduction strategies

*“I can think of no other service that can deliver results with the patience and understanding which is required”*
